A	accessible
	accessible documentation
	accessible to people with disabilities
	accessible to persons with disabilities
	admin guide
	admin manual
	administrator manual
	advertising catalog
	application
	application program
	assembly instructions
	audience
	authorized representative
B	barrier-free
	barrier-free documentation
C	catalog
	CE Declaration of Conformity
	CE mark
	CE mark of conformity
	CE marking
	CE-marking
	circuit diagram
	client
	commissioning
	commissioning instructions
	communication medium
	computer program
	concept
	concept element
	concept topic

	consumer
	controlled language
	controlled language checker
	controlled natural language
D	danger zone
	data privacy
	data protection
	data security
	decommissioning
	decommissioning instructions
	deinstallation instructions
	design documentation
	design specification
	development
	diagnosis
	diagram
	directions for use
	disabled person
	disposal
	document management
	document management system
	document type
	down time
	draft
E	ease of use
	EC Declaration of Conformity
	effort
	EU Declaration of Conformity
	external technical documentation
F	failure mode and effect analysis
	figure
	font
	form of delivery
	form of provision
	function
G	genre
	graphic
	guarantee

	guarantee notice
	guarantee statement
H	handicapped person
	hazard
	hazard zone
	hybrid app
	hybrid application
	hydraulic diagram
	hydraulic schematic
I	identification mark
	idle time
	illustration
	importer
	improvement
	information for users
	information gathering
	information integration
	information packaging
	information research
	information retrieval
	information source
	information structure
	information supply
	information type
	in-house technical documentation
	inspection
	installation instructions
	instruction manual
	instructions for use
	instructions on transportation
	intended use
	internal documentation
	internal technical documentation
L	language
	legibility
	liability
	licence
	licensing

	life cycle
	life cycle phase
	list of figures
	list of spare parts
M	maintenance
	maintenance interval
	maintenance plan
	maintenance schedule
	manufacturer
	mobile documentation
N	name plate
	native application
O	occupational health and safety
	occupational safety and health
	online app
	online help
	on-line help
	operating instruction
	operating instructions
	operating manual
	operation
	output device
	output medium
P	packaging instructions
	packing instructions
	parts catalog
	person with a disability
	person with disabilities
	picture
	plant specification
	procurement of information
	product
	product life cycle
	product life cycle phase
	product safety label
	product specification
	product specs
	program

	provision of information
	purchaser
	putting into operation
	putting into service
	putting out of service
R	readability
	reference
	reference element
	reference topic
	reference use
	repair
	repair instruction
	repair instructions
	repair manual
	residual risk
	risk
	risk analysis
	risk assessment
	risk evaluation
	risk graph
	role
S	safety
	safety label
	safety message
	safety note
	safety sign
	sales catalog
	sales document
	sales information
	sales papers
	scope of delivery
	scope of supply
	security
	service instructions
	service interval
	service manual
	servicing
	set-up duration

	shipping instructions
	skill level
	skilled person
	software requirements specification
	software specification
	source of information
	spare part
	spare parts catalog
	spare parts list
	specification
	specs
	SRS
	standstill duration
	statement of guarantee
	statement of warranty
	storage
	storage medium
	style checker
	subject index
	supplier
	system specification
T	target audience
	target group
	task element
	task topic
	technical author
	technical communication
	technical communicator
	technical construction file
	technical data
	technical documentation
	technical editor
	technical product specification
	technical vocabulary
	technical writer
	tekom Austria
	tekom Denmark
	tekom Hungary

	tekom Poland
	tekom Turkey
	term extraction
	terminological entry
	terminological record
	terminologist
	terminology
	terminology database
	terminology extraction
	terminology identification
	terminology management
	terminology management software
	terminology management system
	terminology manager
	terminology work
	text type
	transport instructions
	transportation instructions
	type of information
	type plate
U	uninstall instructions
	uninstallation instructions
	usability test
	usability testing
	user friendliness
	user guide
	user information
	user manual
W	warning message
	warranty
	warranty information
	warranty notice
	warranty statement
	web application
	wiring diagram
	workplace health and safety
	writing
	writing system
