

Candidate Profile

Per Harbo Sørensen

is running for the position of treasurer.

Academic background:

- Bachelor of Science in Engineering, Electronics, thesis within the area of medico electronics (Ingeniørhøjskolen Aarhus Teknikum)
- Further training in Client/Server Technology
- Certified Technical Communicator, Trainer Level, International tekomp Certificate (TCTrainNet)

Professional career:

- Per has been working in the translation business since 1995 within many different areas such as: project management, language technology, quality assurance, layout, file processing, process optimization, consultancy and management.
- Head of Technical Documentation Department during a period of four years.
- Current position: Partner in World Translation (Language Service Provider) with an executive position as CFO and Head of Technology Department.

Professional experience in technical communication:

Head of Technical Documentation Department

Goals for my role as treasurer:

- Contribute to strengthen and broaden the knowledge of technical communication in Denmark by:
- continuing the positive development of tekomp Danmark
 - working on a long-term strategy for tekomp Danmark
 - passing on information about activities and initiatives in tekomp Europe to the tekomp Danmark members
 - participating actively in event planning
 - participating in the main tekomp conferences taking place in Germany
 - developing strategic partnerships with institutions of higher education
