

## Candidate Profile

### Tsvetelina Ilieva

#### Academic background:

- MA in English Language Studies (Veliko Tarnavo University, BG)
- MA in Technical Communication (Sheffield Hallam University, UK)

#### Professional career:

I started at Software AG Bulgaria back in 2007 and I am still employed at the same company.

#### Professional experience in technical communication:

Most of the projects I've worked on are documenting backend systems for enterprise software. I've also contributed as a volunteer to open source projects.

#### Goals:

To organize community events that will help not just technical writers, but anyone involved in the production of software documentation write better documents that actually help people.
