Member of tekomp AG TTK

Member of tekomp Europe Advisory Board Legislation and Standards

Substitute Delegate of tekomp Belgium

Goals for my role as substitute delegate:

tekomp Belgium will support their members to inform and develop the knowledge about various topics concerning technical communication. Furthermore, networking between individual and industrial members of tekomp Belgium is very important.

tekomp Belgium organises events, webinars and so on to achieve the above mentioned goals.

tekomp Belgium strives for cooperation within the country organizations of tekomp Europe.
