

Candidate Profile

Ezriel Yellin

is running for the position of substitute delegate.

Academic background:

I hold a Bachelor's degree in Urban and Regional Planning, with the equivalent of a minor in Computer Science, as well as a Graduate Diploma in Management and Accounting and several other professional development courses.

In addition, I have received Rabbinic Ordination (equivalent to a Bachelor's degree) and Ordination as a Rabbinical Court Judge (equivalent to a Master's degree).

Professional career:

I worked for several years as a Forensic Accountant before relocating to Israel. After moving, I transitioned into roles as a Developer and System Integrator, contributing to several government projects.

After approximately five years, I chose to leverage my strong writing and communication skills and shifted my focus to Technical Writing. For the past 30 years, I have been at the forefront of the technical communication industry in Israel.

In 1998, I assumed management of Techshoret, the email forum for Israeli technical communication professionals. I have been actively involved in MEGAComm since its inception in 2005, and I am a Charter Member of tek Israel.

In addition, I serve as a member of the tek Europe Arbitration Committee, and serve as one of the Auditors.

Professional experience in technical communication:

I am a seasoned professional having worked for companies of all sizes in a wide variety of domains, ranging from Professional services, medical technology, and cyber security.

Goals for my role as substitute delegate:

My plan is to develop strategies to increase membership by introducing a variety of events and regular meetups.

I also intend to maintain and strengthen Israel's prominent position in the global industry.
